

**An unpleasant
surprise**

*Princess Spring and Princess Lily had invited for a joyful party in their castle.
Alas! The entertainment was rather lousy!*

Why doesn't
anybody
laugh?

Phew! That's
really
grueling!

Grump!
It's so
boring!

No fun at all!

Oh, my ...
I'm so
tired!

After a short time, the princesses decided to sack the guys!

Get out of here,
you stupid
bores!

You're not
funny at all!

Strong Flash and sturdy Thunder grabbed odd Claus, funny Crash and the entertainer Rolli and evicted them!

Oh, no! We've been really amazing!

Without you, the party would have been much better!

Meanwhile, the robbers Willi, Quickly and Speedy met witch Spiderhat in a nearby cave. They were planning to steal the kingdom's treasure.

Gee, I sure wish we could get hold of the kingdom's treasure!

Hmmm?

Somehow, we must
get over that wall!

Excellent! Great
idea, Spiderhat!

Maybe I could fly
across the wall and
open the castle
gate for you!

So Spiderhat and the gang of thieves headed for the castle.

Follow me,
guys!

Shhhsh! Be
quiet!

I hope they won't
catch us!

Thanks to her magic power witch Spiderhat managed to fly across the giant wall and opened the castle gate for her gang.

Giggle ...
Yes! Perfect!

BZZZ

In the meantime, the sacked entertainers waited in front of the gate as they had been told by the princesses and couldn't believe their eyes.

Look! Surely, the witch is trying to steal the treasure!

Oh dear! The witch is flying across the wall!

We must call the castle's heroes!

Excitedly, the entertainers told the heroes what they had seen in front of the wall.

The thieves are going to steal the treasure with help of the witch!

Oh, no!

Oh, my beautiful
chain is gone!

Oh, all the money!

With courage, the heroes started to chase the thieves.

Come on! Let's go
and catch the
thieves!

Clap!

We bring the
treasure back!

The kingdom's treasure

Hopefully they will
bring our treasure
back!

In the den of the thieves...

So much money!
Imagine, how many things I can buy now!

We are the champions!

We have got the treasure!
Yippiehh!!!

Yes, my idea went very well!

Thanks to the hints from the entertainers the heroes knew exactly who they had to look for and where they would find them!

There are
the thieves!

Now you're going
to be punished
very hard!

Hands up, you rascals, or we will thrash you!

Oh, no, they've caught us!

Damned! What a pity! Someone must have betrayed us!

OUCH!
Leave me
alone!

Oh, no!
They've got
us!

The
princesses will
be so happy!

The brave heroes brought the treasure back and the princesses were really happy again.

Here's your beloved treasure, Ladies!

We are real heroes!

I've got my chain back! Our treasure is here again!

With tied hands, the thieves had no chance at all!

Damned! Now I
couldn't buy
me anything!

These
stupid
fettters!

But the heroes were not the only ones who got a reward!

Great,
we're paid!

Thank
you!

Thank you very much!
Your hint helped us to
get our treasure back.
Therefore you are
given some money.

After this excitement, the party could go on. But this time, the atmosphere couldn't have been better!

Hooray! Now
our party
isn't boring
anymore!

Let's party!

Partytime!

We're real celebrities!

Amazing!

Finally, they like
our show! Now
we won't be
evicted again!

All is well
that ends well!

Yeahh!
